EMDR with Children: Healing Young Brains

September 26, 2024 | 9:00am-5:00pm

or

October 29, 2024 | 9:00am-5:00pm

LIVE, IN-PERSON TRAINING

Children who experience trauma have capacity to heal and create new neural networks with assistance from trained EMDR therapists. This workshop will present EMDR in a child-friendly version with adaptations that will enhance the comfort level of clinicians working with children and teens. Participants will learn advanced techniques around EMDR Phases, dissociation in children, and using the adult caregiver as an asset to providing adaptive information.

Approved for 7 EMDRIA Credits, 7 NBCC CEs for professional counselors and 7 ASWB CEs for social workers.

Advanced Course - Full EMDR Training Required
